ABOUT US

- ✔ We believe that nature's secrets have great benefits to offer, when suitably nurtured and harnessed. That is why we combine the science of 5000-year-old Ayurveda with modern, best-in-class manufacturing practices. As a result, we have been successful in delivering high-quality Ayurvedic hair and skin care products to consumers for over 30 years.
- ✔ We Shivesh International, are the prominent manufacturer of an exceptional quality assortment of Organic Products. Offered products range consists of Organic Henna & Indigo Powder, Organic Henna hair Colors & Organic all Indian Herbs. All offered products are processed using pure ingredients under the direction of domain experts. Apart from this, these products are known for their high purity and long shelf life.
- ✔ We have made a highly sophisticated infrastructure base. Apart from this, to manage the team's operations, our professionals are divided into a number of units. Our company takes pride in providing herbal products of superior quality at very affordable rates. Furthermore, we are conducting several quality tests to ensure these organic products to be high quality assured in accordance with the expectations of our clients. We are exporting our products all over the world for last 30 years.

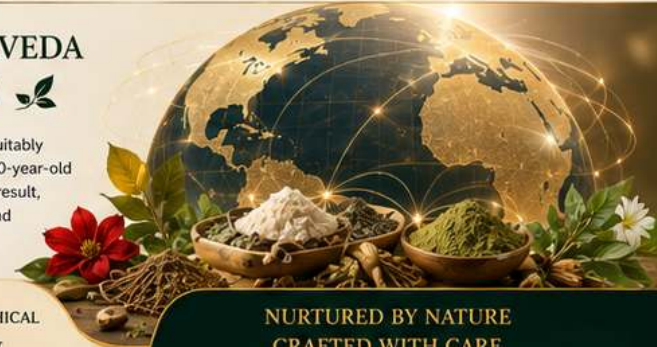

MANUFACTURING

Our manufacturing process combines traditional expertise with modern technology to produce premium quality henna products. From sourcing the finest natural ingredients to processing, grinding, and packaging, every stage is carefully monitored to maintain purity and consistency. Advanced machinery, hygienic facilities, and strict quality checks ensure that our products are chemical-free and safe. With a commitment to excellence, we manufacture henna that meets international standards and caters to diverse customer needs across the globe.

TAKING THE POWDER OF AYURVEDA TO INDIA AND BEYOND

We believe that nature's secrets have great benefits to offer, when suitably nurtured and harnessed. That is why we combine the science of 5000-year-old Ayurveda with modern, best-in-class manufacturing practices. As a result, we have been successful in delivering high-quality Ayurvedic hair and skin care products to consumers for over 30 years.
